GENERAL INFORMATION

Railway Rates

Announcement is made by the United States Railroad Administration that summer rates will be in effect this year, from May 30th to September 30th. There will be two classes of tickets: 15-day tickets, which will be sold only on Fridays and Saturdays, and which will have no stop-over privileges, and three-months tickets, which will be sold every day and which will allow stop-over privileges.

Information concerning the tariff is not yet available, but can be secured at local ticket office later in the month. To avoid difficulties, with regard to rates, members are advised to make inquiries some time in advance of purchase of tickets, and in case of refusal of the above rate to buy the one-way ticket, asking for a receipt. Claims will always be adjusted in case of an error of this sort on the part of a ticket agent.

Vancouver boats leave Seattle every day at 9 a. m. and 11:30 p. m. Fare, round-trip, $9.72.

The managements of the three hotels named above have promised to take care of all those attending the Conference, *provided notification is given in advance.* Write the Hotel in ample time, specifying the accommodation you require, and with whom you are "doubling-up," if you are arranging to do this.

The Committee on Local Arrangements would also greatly appreciate notification of intended attendance, that the details in connection with the Wigwam Inn Cruise, and Dinner, and the Automobile Drive, may be carried out in the most satisfactory way. Please notify
